My Memory Page

In the 1986-87 school year many events colored the Honaker High School set.

Many of my wildest times were spent with _____. We had the craziest times together. Once, we went to _____, and had a fantastic time.

I'll never forget the fun I had at the school dances when I danced to my favorite song, _____, with _____.

I could never wait to get to _____, my favorite class, which _____ taught. But, that class was soon over. Then, it was off to _____, my worst class. _____ taught that class, yech!

Although some of the world events were bad, such as _____, and _____, they didn't compare to my worst class. (That shows how bad that class was!)

Well, I made it through another year at H.H.S., and thanks to this page, I will have something to look back on in 10 or 20 years.

Dare to be Winners

The 1987 Varsity Baseball team members were definitely winners. They ended an excellent season by earning a trip to the Region C Tournament after becoming Co-Champions in the Hogoheegee District Tournament. The Tigers were defeated in the final game of the Region C Tournament. The team was a very young team with only four seniors. Honaker's winning baseball tradition will continue because they Dare to be Winners.

Editors

It has been our pleasure serving as editors on the '87 Torch. A lot of hard work and dedication has been put into this yearbook. We now realize that being an editor is more than just a title.

We hope that you will enjoy the memories compiled within this yearbook as well as we will.

We would like to thank all staff members for their times spent working on the yearbook. We hope that the staff had as much fun as we've had.

A special thanks goes to Mr. Barrett. He was a great advisor. It was rough, training a new advisor; but everything turned out fantastic. We appreciate all the support and encouragement. We wish you the best of luck with next year's staff.

Again thanks and good luck.
